

KAREN & KIM SAY FAREWELL TO LACDMH

The Public Information Office will be hosting a bon voyage party for Karen and Kim on Monday, November 30th from 12PM-3PM at headquarters (Suite 607). Please drop by to wish them well!

Hi, friends!

One of the hardest things in life is letting go, but, as they say, change is good! After being here at LACDMH for more than five years as the Public Information Officer, I will now take on new challenges as I begin another position within the County. My last day here will be Monday, November 30th.

In 2010, I walked into LACDMH and knew no one. I came prepared to learn anything and everything about mental health. In that time of learning and growing, both professionally and personally, I developed solid friendships.

In a few days, I will leave here but I will take great friends with me! So, thank you all for making my time here at LACDMH memorable and wonderful. May our paths cross again!

All the best,

Karen Zarsadiaz-Ige

Hello all,

After 5 years in the LACDMH Public Information Office (PIO), I am bidding farewell to pursue other career opportunities. My last working day is Monday, November 30, 2015. As I leave to grow within LA County, I would like to take a moment to remember and cherish my time at DMH. It has been great working on the eNews, Minds and Matters & being a part of the Two-Time Emmy Award Winning "Profiles of Hope" series.

It has also been great interacting and getting to know you all, whether it is to get promotional items and handouts from our office or attending various department events to take photos and write about it for the eNews. Even though I will miss being here, I am looking forward to starting the next phase in my LA County career.

If you need to contact the PIO, please call (213) 738-3700 or (213) 738-2908. You can also email the office directly at pio@dmh.lacounty.gov.

This is not a goodbye, only a “see you later.”

Best regards,

Kimberli Washington
